

The WHPS Weekly

Friday 22nd May 2026

Happy Half Term!

Dear WHPS Families,

It has been an incredibly busy two weeks leading up to half term!

We've had trips, SATs, special visitors and International Evening! And what a huge success they have all been. As always, none of these things are possible without the support and hard work of our whole community.

I'd like to take a moment to say a massive well done to our Y6 children - they worked so hard last week, facing every test with resilience and determination. We are so proud of each and every one of them. I'd also like to thank the Y6 team for their continued hard work across the year supporting the children.

Yesterday, we enjoyed another fantastic International Evening! What an amazing event with so much talent. I loved the diversity of the performances and the food afterwards was delicious. Keep your eyes peeled for an International Evening WHPS Weekly special coming in a couple of weeks.

This week's WHPS Weekly is dedicated to Kench Hill, our Y5 residential trip which happened last month. The children and adults had a fantastic time (as you can see from the photos). Kench Hill has become a really important part of our children's journey here at West Hampstead with so many great opportunities for exploring, adventure, team-work, risk-taking and FUN! We know the children had a brilliant time and we're already looking forward to taking them to The Mill next year.

Another big well done to the Y5 team and supporting adults, thank you for making the trip so special. And finally a big thank you to the parents too!

We wish you a pleasant half term and will see you on **Tuesday 2nd June**, when school reopens again. Don't forget, **Monday 1st June - INSET DAY**.

Miss Bones (Deputy Headteacher)

Year 5 at Kench Hill

Year 5 spent a magical few days at Kench Hill in Kent! The residential is fantastic opportunity for the year group to learn new skills, prepare for year 6 and build independence and bond! Here is a picture of the group after the Last Night Disco!

Due to the amazing weather, the group spent a lot of time outside, on river hikes, archery, looking after animals and doing low ropes!
