

The WHPS Weekly

Friday 5th June 2026

Dear Parents and Carers,

Welcome back to our final half term of the year!

We hope you all enjoyed the sunshine over the half term break.

This week's WHPS Weekly is dedicated to *International Evening*, which happened just before we broke up for half term. As always, it was a fantastic evening with children and families performing from across the school and an amazing feast to enjoy afterwards. Thank you to everyone who came and to everyone who contributed food—you generous donations of time and energy making dishes and sharing food make this evening one to remember.

Over the next few pages, you will find some pictures from the performances. A huge thank you to everyone who performed, it was great to see such a variety of acts and to celebrate all the different cultures in our school.

A final thank you to all staff who support the evening to make it so successful!

FAQs

What is the WHPS shop?

It is an online shop selling WHPS t-shirts, hoodies, bags, mugs, caps and gifts and other fun designs. You can even design your own!

Does the school get money from each order?

Yes. Every purchase helps raise money for West Hampstead PSA.

What are we raising money for?

We are raising money for the new school playground project. Funds go to the West Hampstead Parent Staff Association. [Charity number: 1087315](#).

Can family and friends buy from the shop?

Yes! Anyone can order from the shop from anywhere in the world, not just WHPS families. Please share the link with grandparents, friends, neighbours and anyone who wants to support the school.

What are the products made of?

Clothing is made from 100% GOTS-certified organic cotton. This means no toxic pesticides are used, which is better for the environment and makes for a much softer feel. We use high-quality digital printing with vegan, water-based inks. This process uses renewable energy and produces zero wastewater, ensuring vibrant prints that are kind to the planet.

Who sends the order?

Orders are printed and sent by Teemill. The PSA does not handle the orders directly and there is no stock at school. Items are only made when you order them online. All orders are shipped in plastic-free, rip-proof, and splash-proof paper mailers that are fully recyclable and made from natural materials.

How long will my order take to arrive?

TeeMill prints everything to order to reduce waste. Most orders are printed and dispatched within 2–3 working days. Standard UK delivery typically takes 4–8 working days, while international shipping can take 10–20 working days, depending on your location. For Next Day Delivery, orders must be placed before 1pm on weekdays.

How much is shipping?

UK standard delivery is usually £4.50, with tracked and priority options available at checkout. International shipping starts from £7.50. More details can be found on our [help page](#).

Free after school activity

Free educational after-school activity taking place at West Hampstead Library next Tues 9 June and it might be of interest to children at your school.

The activity is called the Broken Umbrella Challenge and children learn how to take apart broken toys and see what's inside. Then they use the pieces to think creatively and invent something new. It's a fun way to learn about the issue of waste and how we can design things to be more sustainable.

Location: West Hampstead Library
