

Friday 22nd July 2022

Dear Y1-6 Parents and Carers,

On Monday 12th September 2022, we will be holding our annual 'Meet the Team' evening for years 1 to 6.

Meet the Team evening will provide you with an opportunity to meet your child's teacher and the team working with them, share classroom structures and routines and gather information about the exciting learning they will be doing this year.

Building on from the feedback from previous events, we have scheduled two meetings for each class. This will allow families with multiple children in the school to attend different year group meetings. As well as attending the event at school, we have scheduled for the later event to take place on Zoom, to support parents who are working and unable to make the event on time.

Each meeting will last approximately 25 minutes.

We will send the relevant zoom links for the later events nearer the time. We hope to see as many of you there as possible!

Here are the details for your child's 'Meet the Team' dates and times:

Date:	Time:
Monday 12 th September	In school- 3.45pm
	Zoom - 5pm

Yours faithfully,

J Roebuck
Deputy Headteacher
